B. Applicable bands or interdistrict calls are as specified in F. following. Intradistrict calls are classified as Band A.

C. Initial Period, Subsequent Period, Discount Period

Minutes of use charges are quoted in terms of initial periods and subsequent periods.

1. Initial period charges in A. preceding are for the initial period connection, or any fraction thereof.
2. All subsequent period charges in A. preceding are for each subsequent minute, or fraction thereof, that the connection continues beyond the initial period.
3. Discount rates specified in A. preceding are expressed as a percent of the charge calculated at peak period rates, and are applied to the calls occurring within the rate discount period. The discount is applied to the sum of the initial period and subsequent minute charges for the call. The discount is computed separately for charges in each rate period and the results are then totaled.
4. On Christmas Day (December 25), New Year's Day (January 1), Independence Day (July 4), Labor Day and Thanksgiving Day, or the resultant legal holiday, the applicable rating is the Off Peak Discount Period Rating.
